

Community Partners can help connect you with the following community resources:

- |                        |                        |                                |
|------------------------|------------------------|--------------------------------|
| -food                  | -money management      | -after school activities       |
| -clothing              | -parenting information | -social/recreational supports  |
| -housing               | -pregnancy/birth       | -substance abuse information   |
| -utilities             | -newborn care          | -mental health information     |
| -transportation        | -finding child care    | -obtaining medical/dental care |
| -employment            | -school/education      | -legal information             |
| -spiritual information | -health/hygiene        |                                |

\*\*\* Gift cards from time to time are donated to help families with things like gas, groceries, clothing, basic necessities, etc.

Contact us directly, talk to your school counselor or outside therapist (\*if you have one) to put in a referral to receive some additional support.
